Eisenhower's Staff vs Student Games

As the end of the school year approaches, **Eisenhower** school managed to sneak in a little fun. They competed in Staff verses Student games. The games were so much fun, and it encouraged everyone to work together. It was lighthearted and exciting. It also demonstrated how the students and staff had to cooperate, show sportsmanship, and how to compete. In the end, the students emerged victorious.

Taft's First graders in the computer lab working on mouse skills and Pre-K all set for a read aloud.

Ms. Carr's class at **Eisenhower** enjoyed working in partners researching and learning about mammals.

Madison's M.I.S.S. hosted its annual *Mommy and Me Event*, and it was a wonderful success! This year's theme was *Denim, Diamonds, and Pearls*, and the mentees and their moms arrived dressed to impress and ready to celebrate.

Guests enjoyed a delicious spread, including chicken, meatballs, salad, pasta salad, a variety of desserts, and more. The event also featured engaging activities like a Mommy and Me personality quiz and a fun D.I.Y. charm bracelet station. The mentees also gifted their moms personalized buttons along with a handcrafted self-care booklet as a token to express their love and appreciation. The photo booth was a big hit as well, capturing joyful memories throughout the day.

E'Ley Jones' mother shared a lovely comment, saying, "Each year M.I.S.S. outdoes themselves." which truly reflects the spirit and effort put into this event.

It was truly a special event filled with laughter, bonding, and unforgettable moments.

Reading Explorers

While it may seem like everywhere your child turns there is a touch-screen calling to them, there is still nothing that opens up the world of imagination and possibility like a good book. By reading both quietly and out loud, students will greatly improve their ability to determine meaning from the written word along with public speaking skills and listening skills. Watch your child discover more about their world through a book – great readers often become great thinkers!

Science Explorers (STEM)

Age appropriate Science activities, beginning of scientific discoveries.

Board Game Adventurers

Students will engage in games of skills, board games, and using their creativity while developing their social skills.

Young Explorers

Students will explore colorful and mysterious rain forests, mountains, and world landscapes.

Happy Father's Day

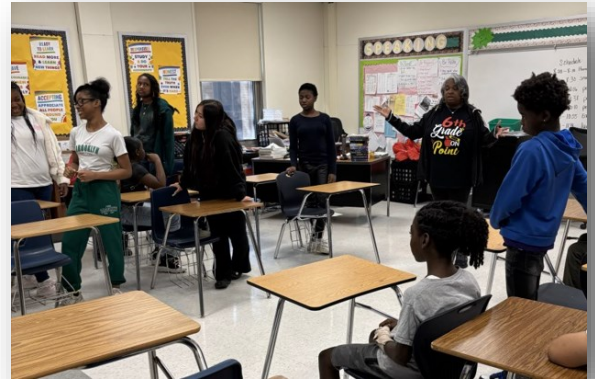

Taft School wanted to dedicate a day to recognize fathers before the end of the school year. The day was filled with dancing, photos, crafts, snack, and fun with their child.

The Friends of the Phoenix Public Library celebrated Juneteenth.

SHADOW DAY

Normally when you think of “shadow day” a high school or college comes to mind. But not at School District 151. Shadow day is an opportunity for the students to visit the next school they will attend in the fall. School District 151 has grade centers. The 5th grade students at Madison School (4th & 5th) shadowed the 6th grade students at Coolidge Middle School (6th, 7th, & 8th). The 5th graders met the 6th grade team, the administrators, changed classes, and were treated to a pep rally. They left with a bag of information about their new school that would help them navigate Coolidge Middle School next school year.

The **P**arent **T**eacher **O**rganization (**PTO**) showed their appreciation to the entire district staff for their Involve-MINT; Commit-MINT; and Encourage-MINT by placing mint baskets throughout the schools and district office.

Greta Morris scholarship winner, Christopher Jenkins, had the opportunity to visit the Museum of Illusions and the Museum of Ice Cream to celebrate his win with Mrs. Sharon Fuller and Ms. Sascha Mallicott.

Attendance at an all time high in classrooms!

The PTO sponsored classroom pizza parties from the proceeds of the Fish Fry Fundraiser conducted by former School President Mrs. Patrice Burton.

The classrooms with the highest attendance level per grade received a pizza party.

Ms. Carr's second grade class at **EISENHOWER** enjoyed preparing for their upcoming field trip to Shedd Aquarium. Students acted as oceanographers by partnering up to research and present an animal of the sea.

Eisenhower's
Track Meet

To celebrate their year-long membership in MISS, 5th grade students took an exciting trip to downtown Chicago. They explored Navy Pier, experienced the immersive 'Flyover' attraction, and enjoyed a thrilling ride on the adventurous 'SeaDog' speed boat. The students had a fantastic time and made lasting memories. They will carry the lessons they've learned and the experiences they've shared with them as they head into middle school, ready for new challenges and opportunities.
